Basically no phrases to clarify. It really is written in straightforward phrases rather than hard to understand. You will not sense monotony at any moment of your own time (that's what catalogues are for concerning if you ask me).

Seeing the great darkness within the elven prince s heart, the High God cursed his descendants with a thirst for blood. The first vampires, driven from their home, find themselves locked in a struggle for survival. The King of the Elves sends an army to destroy them, and the only escape is north. Their last hope may lie in the walled frontier town of Dundari, or beyond in the White Wastes: a land of ice and snow completely empty of life. or so everyone thinks.
