Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

God in heaven, I cried, in tones of anguish. Kill me at once, but do not ask me to choose. It is one against many, yet what are they to me? Better that a score should perish swiftly, unexpectedly, than that one man should suffer such tortures in anticipation of a fate like mine. I tried to raise the lever but my heart failed me. I thought of my approaching marriage with Adelaide, the fruition of my life-long dreams--yet I could not force myself to throw it I thought of you, dear Louis, and of the many plans we had often discussed for the future--still I could not raise it. I thought of my recent discoveries in bacteriological science--secret, because not yet fully developed--which must perish with me, but I could not throw that lever. I could not Great God! The weight of the world seemed to hold it down. All at once I heard a subdued murmur--a faint vibrant tremor, which seemed to invade my very blood, until every fibre of me had a heart to quake with unspeakable fear. And yet it seemed to me I had always known that sound. In the most commonplace noises I could recall it--in the rush of the wind among the trees, in the sound of running water, in the low murmur of the human voice--it was my fate! My fingers groped in the leather case, closing about a vial...
