

Painting with Children (5th Revised edition)

Filesize: 4.7 MB

Reviews

It is one of the most popular publications. It is actually written in easy words instead of confusing. You will like how the author created this book.

(Art Gislason)

PAINTING WITH CHILDREN (5TH REVISED EDITION)

Floris Books. Paperback. Book Condition: new. BRAND NEW, Painting with Children (5th Revised edition), Brunhild Muller, Donald MacLean, 'When we paint with colours we should paint in such a way that we are conscious that we are calling forth life from what is dead.' -- Rudolf Steiner A vital factor in a child's development is the stimulation of active imagination and creativity. Here are ideas for encouraging self-expression through watercolour painting. Essentially practical, this book is based on Goethe's colour theory and shows that painting with children is more than just a form of self-expression. Muller encourages and attempts to understand children's fantasies through their artwork. This guide for parents and teachers to painting with watercolours covers preparation, colour-stories and poems, painting moods of nature and the seasons of the year.
