Reviews

The most effective publication i ever study. I am quite late in start reading this one, but better then never. You wont sense monotony at whenever you want of your time (that's what catalogs are for concerning in the event you ask me).

SHOVEL READY (PAPERBACK)

Headline Publishing Group, United Kingdom, 2014. Paperback. Book Condition: New. 197 x 130 mm. Language: English . Brand New Book. I don t want to know your reasons. I don t care. Think of me as a bullet. Just point. Spademan used to be a garbage man. That was before the dirty bomb hit Times Square, before his wife was killed, before New York became a burnt-out shell. Now the wealthy spend their days tapped into virtual reality; the rest have to fend for themselves in the streets. Now there s nothing but garbage. So he became a hit man. He doesn t ask questions, he works quickly, and he s handy with a box-cutter. When he s hired to kill the daughter of a high-profile evangelist, Spademan s life is upended. He will have to navigate two worlds - both the slick fantasy and the wasteland reality - to finish the job, clear his conscience, and make sure he s not the one who winds up in the ground.
