

Sports Dermatology (Paperback)

By Brian B. Adams

Springer-Verlag New York Inc., United States, 2006. Paperback. Book Condition: New. 2006.. 201 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Millions of people participate in sporting activities every day, from the daily runner to the three-times-a-week gym rat, to members of myriad sports teams. Sports injuries are among the most commonly presenting issues in emergency rooms and physician s offices. During these events, the most common injuries affect the skin. Cutaneous manifestations afflict all athletes from the recreational neophyte to the professional. Conditions ranging from innocuous skin injuries to skin disease that can bench a nationally ranked wrestling team occur with alarming frequency. Review articles and book chapters that discuss sports-related dermatoses are too general and often offer only cursory information. Sports Dermatology: Handbook Of Diagnosis And Management gathers the most clinically relevant and badly needed information in this emerging area of sports dermatology. With the increased emphasis on evidence-based medicine, that construct serves as the basis for much of the book, providing the most current and practical approach for treatment options. Both common and unusual disorders related to sports are reviewed in detail. Each sports-related skin condition is discussed with attention to the...
