Brand New Book ***** Print on Demand *****.Excerpt from Free Thoughts on His Majesty s Recovery, and Resumption of the Royal Powers The public declaration of the King s renovated slate of health, and his consequent re-assumption of the government of this country, appear to have diffused a peculiar degree of satisfaction and pleasure among all ranks of people. I have felt too much grief and horror, from the moment in which his Majesty was first afflicted with the most deplorable malady that can befall human nature, not to partake of the general joy occasioned by the news of his perfect recovery.
