Packt Publishing Limited, United Kingdom, 2008. Paperback. Book Condition: New. 234 x 186 mm. Language: English Brand New Book ***** Print on Demand *****.Written in an easy-to-read style, this book is a refreshing alternative to the official Microsoft training and reference material which, although comprehensive, can sometimes be tiring to read. This is not a reference book, although you may find you refer to it often, giving you access to years of experience in implementing and programming Dynamics NAV. You will learn all the new features in NAV 2009, without needing to invest significant study time. Dynamics NAV implementation consultants and developers that want to quickly understand the new features offered in the 2009 release. NAV consultants that want to learn more about programming and extensibility without needing to learn a programming language will also benefit from this book. NAV programmers that want to learn about finance configuration and solution design in order to be a better programmer and design better solutions can also use this book.
