America's Galactic Foreign Legion - Book 7: Enemies (Paperback)

By Walter Knight

Penumbra Publishing, United States, 2011. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.The military science-fiction saga twists like a snake trying to bite its own tail in this seventh installment. Even the paranoid have enemies. Colonel Joey R. Czerinski knows this, being both paranoid and having enemies himself, some of whom he even calls friends. While he goes about his usual routine as local Legion commander at the DMZ on planet New Colorado, he also is busy fixing football and baseball games, placing outrageous bets, cheating others, mocking the media, weaseling out of trouble with his superiors, and generally pissing off everyone around him. Foes new and old do their best to exact the revenge they believe he fully deserves. This only confirms Czerinski's motto . Just because you're paranoid doesn't mean they aren't after you. To complicate matters, the appearance of a new alien species on the galactic horizon threatens to make life even more difficult on planet New Colorado. Can human and spider enemies make a tentative pact to work together and beat back this new threat, as they did the marauding ants?...
