A MODEL FOR THE OXIDATION OF CSIC COMPOSITE STRUCTURES

A Model for the Oxidation of
C/SiC Composite Structures

NASA Technical Reports Server
(NTRS), Roy M. Sullivan

Bibliogov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 24 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. A mathematical theory and an accompanying numerical scheme have been developed for predicting the oxidation behavior of CSiC composite structures. The theory is derived from the mechanics of the flow of ideal gases through a porous solid. Within the mathematical formulation, two diffusion mechanisms are possible: (1) the relative diffusion of one species with respect to the mixture, which is concentration...

Reviews

Very good e-book and valuable one. It can be written in basic words and phrases and not confusing. You will not really feel monotony at whenever you want of your own time (that's what catalogues are for concerning should you check with me).

-- **Mr. Antwon Frami**

Extensive guide! Its this kind of great read. It is really simplistic but excitement from the 50 percent of your pdf. I am just quickly will get a pleasure of looking at a composed book.
