ROOTS, CULTURE N CONSCIOUSNESS (PAPERBACK)

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. ROOTS, CULTURE N CONSCIOUSNESS is an E-Book written for Youth Street Culture (B-Boys, Writers, DJ s, MC s, Poets, Singers, Musicians, Music Producers, Promoters, etc.) that embellishes the hidden truth that Music Culture is a revolutionary tool for positive planetary change. The world population is in danger. The dark Powers that Be (New World Order, Illuminati, etc.) are on the offensive. Genocide, war disease (Eugenics) is on their immediate agenda. Youth Street Culture has the power to save the planet. MUSIC CULTURE is their weapon. The metaphysics of our Conscious New Age can prove this hidden fact. Quantum Physics, E.T. Ancient Mystery School knowledge can prove this secret truth. Through this E-Book we gain the understanding, for example, that there are billions of different possible variations of vibrations, yet the universe chooses, with overwhelming preference, those few thousand vibrations that make harmonic or musical sense. We discover that both the ancient Mayans Egyptians used the healing musical frequency of 424 Hz as a Conscious design element of their majestic architecture. We embrace the literal possibility that Youth Street Culture has the potential to positively change the earth s magnetic field for the betterment of humanity. We are taught how to tap into the magical powers of Vortex Energy. We learn all this, plus much more. Time has come for Youth Street Culture to become Cool Conscious! This is A Higher Call To Action! Stand up, make a SOUND be counted! The Conscious Uprising is on!.
