This pdf is definitely worth getting. Better than never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.

SELF-DIRECTED LEARNING: DOCUMENTATION AND LIFE STORIES (PAPERBACK)

Ghf Press, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.What guarantees success? Four years of high school? A college degree? A nine-to-five job? Perhaps, but many teens yearn for a different path. In his latest book, *Self-Directed Learning: Documentation and Life Stories*, Wes Beach argues that people who recognize their genuine interests and talents need only their self-knowledge, confidence, enthusiasm, determination, ability to persevere, and sense of autonomy to carry them where they want to go. Wes shares stories of people whose needs were not met by traditional education, and thus created their own paths. Wes also includes transcripts and information that his students used to gain admission to colleges and universities throughout the country. *Self-Directed Learning* speaks to people who desire to pursue their passions and grow into productive and fulfilled adults.
