Kensington Publishing, United States, 2015. Paperback. Book Condition: New. 171 x 105 mm. Language: English . Brand New Book. The Singles Ministry at New Day Temple of Faith is beginning to unravel, and the pastor is considering dissolving it. Some members believe the only way to hold it together is by getting their pastor to join. And why shouldn't their leader show support by joining, considering the pastor's own single status? Some church members support the idea, while others frown upon the fact that they are being led by a shepherd who is single in the first place. It becomes an all-out war, with one side wanting the pastor to embrace singlehood, while others secretly play matchmaker. Marriage has been the furthest thing from the pastor's mind, not because there hasn't been an opportunity, but because there really hasn't been time. With a needy congregation facing trials and tribulations, Pastor has no time to play the dating game. Being a pastor on call twenty-four seven, who has time for a serious relationship, other than the one with God? Eventually, decisions have to be made around New Day. Will these decisions mend the ministry or destroy the church?.
