We all have a mental filter. What If challenges where opinions, convictions, and decisions are made and how we allow our experiences to dictate truth. Does majority rule? Are your opinions based on half-truths or lies? What If is written to grip the mind of the thinker, challenge the mind of the confident, and unmask experience. Ignorance is a field where death roams free, where death of hope, life, success, and abundance is the only constant. About the Author: Naomi Ziedins is a God-fearing and honouring Canadian business woman living in Ontario. She is passionate about being on two wheels, traveling with her husband and growing in all relationships.
