Reviews

*This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

Finger Print, New Delhi, 2015. Paper back. Book Condition: New. 280pp. Three simple words, in a letter accompanying her parent's will, tear Nisha's carefully ordered world apart. Raised in England, by her caring but emotionally reserved parents, Nisha has never been the one to take risks. Now, with the scrawled address of an Indian convent begins a search for the mother and family she never knew and the awakening of childhood memories long forgotten. The secrets, culture, and people that Nisha discovers, will change her life forever. And, as her eyes are opened to a side of herself she didn't know existed, Nisha realizes that she must also seek answers to the hardest question of all?why? Weaving together the stories of Nisha, Shilpa, and Devi, *The Forgotten Daughter* explores powerfully and poignantly the emotional themes of motherhood, loss, and identity, ultimately asking the question?what you would do out of love for your children?.
