Transworld Publishers Ltd, United Kingdom, 2010. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book. This is the story of an extraordinary boy with a brilliant mind, a heart of gold and a tortured soul. From the day he was born, Nick Traina was his mother s joy. By nineteen, he was dead. This is Danielle Steel s powerful story of the son she lost and the lessons she learned during his courageous battle against darkness. Sharing tender, painful memories, Steel brings us a haunting duet between and singular young man and the mother who loved him - and a harrowing portrait of a masked killer called manic depression. Nick rocketed through life like a shooting star. He spoke in full sentences at the age of one. He was a brilliant, charming child who never slept. His gift for writing was extraordinary, his musical talent promised a golden future. But by the time he entered junior high, he was hurtling towards disaster. His mother tried desperately to get him the help he needed - the opening salvos for what would become a ferocious battle for his life. At once a loving legacy and an unsparing depiction of a devastating illness, Danielle Steel s tribute to her lost son is a gift of life, hope, healing and understanding to us all. I want to share the story, and the pain, the courage, the love, and what I learned in living through it. My hope is that someone will be able to use what we learned, and save a life with it.
