Charlesbridge Publishing,U.S., United States, 2015. Hardback. Book Condition: New. 267 x 241 mm. Language: English . Brand New Book. Succinct and factual text follows chimney swifts as they arrive on a Texas farm, build their nest, lay eggs, ready for fledglings to take flight, and eventually prepare to migrate back to South America. In a parallel, wordless story, a mom, dad, and young girl on the farm watch the chimney swifts throughout the summer and fall, even as they build a new crib and ready for the new baby they re expecting. As they enjoy their baby s first months, they also celebrate the fledglings first flight and bid the birds good-bye until next year. Nicole Gsell s soft illustrations follow the tales of both families bird and human from each unique perspective. A beautiful addition to bird lovers collections, as well as classrooms and libraries.
