Like the loss of friends, infected cats, and the Creepers. Fleeing from the insanity of Fort New Hope, pursued by the relentless Infected, their hope rests on their love for one another and a far off place once called Wyoming. It is a thousand mile trek across a landscape of death and horror and a journey marked by impossible choices. First, however, they must buy Dr. Thorn enough time to save their injured friend. In the remains of a small hospice, they will again, play out a dangerous race against the clock. For with each passing moment spent saving their friend, the Creepers draw closer.
