Read Books, United Kingdom, 2008. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Preface I hope that this book will inspire you to begin painting and stenciling. Most of us are hesitant to begin a new craft which looks difficult without the aid of a teacher, yet the failures that beset beginners in this one may easily be avoided by using the right methods and materials. Except for raw- materials, a good design is the most essential item for a lovely stenciled or painted object. This book contains man- designs complete with detailed instructions. If you follow the directions carefully you will have no difficult- in producing a finished piece, even though you may never have used a paintbrush or stencil before. Specific information is given on each kind of decorating, whether it be fine brush-stroke painting., bold primitive painting, stenciling, delicate bronzing in gold or silver or applying gold leaf. Read the general instructions on the type of decorating you wish to do, pick out one of the easier patterns at first, and then go to work. Within a short time you will begin to take liberties with the patterns, and before you know it will be designing variations of your own. Collecting designs has been one of my constant pleasures since I first began the study of Early American decorating. Most of the designs in this book have been collected over the past decade. Friends have been very generous in allowing me to copy designs from old pieces of tin and woodenware. A number of patterns will have been found on old family pieces from Termont farms others on objects acquired in out-of-the-way places. museums are excellent sources for designs of all sorts. There is a section of...
