Not illustrated. 1917 Excerpt: .has been very materially affected by the European War. This same cause is largely responsible for the demand for skilled labor like machinists and iron and steel workers, and the interest shown by manufacturers in drawing upon and training the unskilled men to fill their needs. Also, the increased wages paid to skilled workers has caused a general feeling of unrest in labor circles, which, coupled with the constantly increasing cost of living, and the insufficient supply of ordinary labor, has caused the demand and the necessity for higher wages. In general excavation work, labor forms a very important part and one of the most variable items of cost entering into the contractors or engineers estimates on a job. Hence, they are looking for and quickly seize upon any good method of saving labor, frequently developing or adapting ways and means to their needs which have...

### Reviews

*Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.*

-- **Trent Monahan**

*A fresh ebook with a brand new point of view. It is definitely simplistic but surprises in the fifty percent of your ebook. It's been designed in an extremely basic way and is particularly just soon after I finished reading this ebook where in fact altered me, change the way I really believe.*
