Brand New Book ***** Print on Demand *****.Lynda Dahl: In Living a Safe Universe, Vols. 1 and 2, predecessors to this, my seventh Seth/Jane Roberts-based book, I talk about my journey into trust and safety via a specifically identified path of Sethian knowledge and an in-depth use of the moment point within simultaneous time. Here we ll broaden our knowledge of the safe universe even further with the introduction of Framework 2 and the greater reality from which all other frameworks spring. With this further knowledge, we ll see more clearly our role and participation in the safe universe and what it means to both our private creations as well as those shared with others. And most importantly, we will sense with even deeper understanding our intrinsic safety as an inviolate portion of All That Is, leading us to a freedom of thought and action unparalleled in today s world. Lynda s three volumes of Living a Safe Universe are a true tour de force through the Seth concepts, and offer even the long-time Seth reader a new perspective on the material and a great motivation to finally shift from a theoretical to a practical level of understanding. The selected Seth quotes and Lynda s comments present a captivating mix that not only lead deeper into Seth s philosophy, but trigger a comprehension that is a prerequisite for a successful implementation of Seth s ideas into one s life.
