Brand New Book ***** Print on Demand *****.Excerpt from China England But while this gloomy picture of the state of affairs might have been partly true of China in the time past, it is no longer true now. The sick man is rapidly convalescent, the sleeping lion is awake, and the hoary and tottery empire has had new blood injected into her system. China is moving and she is moving with a rapidity difficult for one who has not personally witnessed the wonderful changes to understand and realise. Repeated defeats at the hands of the foreign Powers soon convinced our people of the futility of matching bows and arrows against modern guns and explosives, whilst our wooden junks went down before the onslaught of armoured cruisers and battleships like wheat before the scythe. For several years there was loud and threatening talk of doing violence to the integrity of the empire, and one actually appeared under the ominous work and unfortunate title of The break-up of China. No sooner did books and newspapers containing discussions of this subject appear than they were translated into...

Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
