Jim Wagner, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Jim Wagner was the target of schoolyard bullies, but that all changed when he was introduced to the martial arts by a friend. As a fatherless boy he discovered that the God he had worshipped since 10-years-old was not only a God of peace, but also a God of war that would protect him. Over the years he grew in both his faith and fighting skills becoming a renowned police defensive tactics and military combatives instructor teaching some of the most elite units in the world, and simultaneously becoming one of the most famous martial arts instructors in modern history. Told in his own words, this is the true story of an incredible career that hop scotches around the world, from the jungles of Argentina training South American Special Operations units to combat a secret war with radical Islam to the sand dunes of the Middle East where he was poisoned by the Jordanian police accused of being a spy, and then after his near-death experience he immediately taught the Israelis fighting methods that only he had developed and that they wanted. It s a story that takes you through the pain and exuberance of a turbulent U.S. Army in the 1980s, the stress of getting through the police academy, bodyguard training, and the U.S. Government s counterterrorism school only to come out on the other side to run the gauntlet of shootings, knife attacks, S.W.A.T. missions, taking a suspected Pakistani terrorist off of a fully loaded passenger aircraft at Los Angeles International Airport with nuclear information in his briefcase, and preparing soldiers for the wars in Iraq, Afghanistan, Kosovo, and at home against the new threat...
