VOICES IN HARMONY (PAPERBACK)

Xulon Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. All humanity has the stamp of the Almighty. Christian author Lou Boccio focuses on this biblical truth as he zeroes in on our personal relationships with God and one another. Voices In Harmony, a sequel to his book, Voices In Conflict, offers biblical wisdom to improve self-esteem and patience, and to improve our ability to foster healthy relationships. Boccio addresses how to communicate well, listen to one another, forgive others through compassion and love, and grow strong in the Lord and His ways. He humbly reveals how all of these components are sewn together in a Christian life to create fulfilling and rewarding relationships. Boccio s words are thorough and honest as he talks about solving relational conflicts through Bible study, prayer and setting our minds on things above. Boccio reminds us, Christians are set apart to experience awesome things-namely the Lord s promises. Voices In Harmony sends a strong message of hope: Although we are sinners, the strength that comes from a close relationship with our God can flow right into creating harmonious, beautiful relationships with one another. Jennifer Marrs-Journalist and freelance Christian writer.
